The Parby

Model # D499c

Main – 1,417 Sq. Ft. / Second – 682 Sq. Ft. = Total 2,099 Sq. Ft.

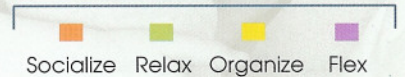

Family and friends will gather around the snack bar to keep the cook company while preparing the meal. The large pantry helps keep your counter space less cluttered while you socialize.

The secondary bedrooms open into an area that can be used as a study space or a play room, keeping clutter out of the bedroom. What a great idea!

The rear foyer, powder bath and laundry room are conveniently located between the kitchen and garage.

How this home lives

*Elevations may include optional features.
