Main – 1,555 Sq. Ft. / Second – 952 Sq. Ft. = Total 2,507 Sq. Ft.

Your guests can come in the front foyer and go directly into the great room with its dramatic, vaulted ceiling. Although this floor plan is open, the kitchen isn't directly visible from the entry.

The pocket office, just off the kitchen, can easily be flexed into a sitting area for the master bedroom.

The flexible loft on the second level can be a playroom, video game center or study room – the possibilities are endless!
