Remember playing hide-and-seek as a child? Closets were a favorite hiding spot. This home would be a great place for that game! Check out the large, walk-in pantry, linens, roomy walk-ins in the secondary bedrooms and other closets!

Another treat in this home is an upstairs study with easy access from the three bedrooms. The possibilities are endless for this space!

The windowed bay in the great room gives more space for furniture arrangement, and *who* doesn't like sunshine!
