The Dolan

Model # D330 c

Total 2,138 Sq. Ft.

Imagine an empty nester or young professional living in this home. The socializing area has a touch of elegance, with its optional tray ceiling. And the optional 10'8" ceiling in the front foyer adds another touch of class.

With plenty of flex space, you can add an intimate den or library, plus a home office. The possibilities are endless!

This great socializing home also has adequate storage to keep it organized and free of clutter.

How this home lives

*Elevations may include optional features.
