# The Dresden

Model # D299 c

Total 2,023 Sq. Ft.

This home's relaxing areas – in the opulent master bedroom suite, secondary bedrooms and the covered porch – are designed to help you unwind and de-stress.

Flex areas are designed to accommodate a formal dining room, music room, library or a cozy den. This adaptability allows the home to meet your changing needs.

An efficient rear foyer with an adjacent laundry room keeps clutter out of the house.

## How this home lives

\*Elevations may include optional features.
