Main – 1,446 Sq. Ft. / Second – 675 Sq. Ft. = Total 2,121 Sq. Ft.

You deserve a pampering master suite. In the bath, the vanities are divided so two people can get ready at once. You can soak in the tub with a favorite book or grab a quick shower. The linen in the bath is large enough to hold towels, bedding and bath supplies. The closet has room for shelves to help organize jeans, sweaters, shoes or purses.

The flex room off the front entry makes a great library or music room.

Upstairs, two large bedrooms with a compartmented bath are great for a blended family or teenage children.

Unfinished Storage adds 125 Sq. Ft.
