The Newton

Model # N305 c

Total 1,498 Sq. Ft.

The socializing space – including a kitchen with a center island, a great room and a dining room – feel spacious because of an optional cathedral ceiling and bright windows. Whether it is just your family or a group of friends, this space is spectacular!

Large walk-in closets, three linen closets, a drop zone and two additional closets are an organizer's dream. Add garage storage and you don't have any excuses for a mess.

How this home lives

*Elevations may include optional features.
