Craftsman*

The North Bay

Model # N260 c

Total 1,372 Sq. Ft.

Charming, charming, charming. This home lives like a bigger home with a bright, socializing space – perfect for snacking on game day or a sit-down dinner at Thanksgiving.

Being able to walk in from the garage, drop off keys and mail and then take groceries into the kitchen reduces stress.

The flex area makes a cozy den to read the paper or relax away from the activities of the main living area.

How this home lives

- Socialize
- Relax
- Organize
- Flex

*Elevations may include optional features.
